

2009 Annual Report

2009 – A Year of Challenges and Accomplishments

Frank Hamilton, President of the 2009-2010 Board of Trustees and Larry E. Rush, Executive Director

Given the economic climate, 2009 was a challenging year for St. Luke's Home. With many non-profit organizations experiencing significant declines in contributions, St. Luke's Home faced a serious challenge.

Knowing that our residents depend on us to provide them a safe and caring environment, all those responsible for fundraising worked extremely hard to meet the challenge. Through the efforts of the staff, the Board of Trustees, the Board of Visitors and our many friends, we ended the year with our most successful Annual campaign ever.

The 90th Annual Baile de las Flores was another tremendous success. The Board of Visitors continues year after year to amaze all of us with their tireless efforts to create our most successful fundraising event. All of us at St. Luke's are forever in their debt.

For the 14th year, Sensational Settings was again one of our premiere events both in terms of the number of people attending and the funds raised. This event takes a tremendous amount of effort to put on and improves every year. One of the major impacts of Sensational Settings is to increase awareness of St. Luke's Home in the community.

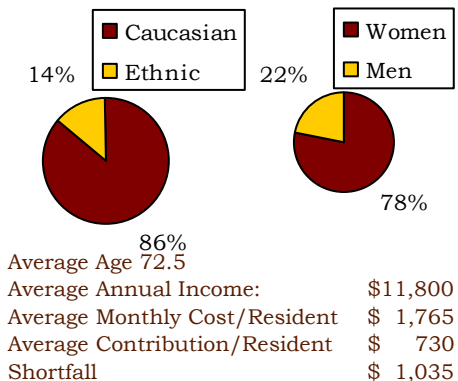

A new committee of the Board of Trustees was created this year as an additional way to increase community awareness of St. Luke's. The Outreach Committee has the very important task of spreading the word about St. Luke's to individuals, corporations, foundations and any audience that can provide support to the Home in terms of time, talent and treasure.

In 2009, planning was begun for two new events to benefit St. Luke's. The first is an annual golf tournament that will be held May 14, 2010. We have high hopes that this new event will not only raise significant new funds but again will raise the profile of St. Luke's Home. In addition, 2010 is the 30th anniversary of St. Luke's Home. A one-time event is being planned for September 2010 to reminisce about the history of the Home and thank all those who have been so instrumental in its success over these many years.

In March 2009, we celebrated the completion of the renovation of the St. Frances Chapel. This effort took many years of dedicated, hard work by the Chapel Committee and was completed through the generosity of many donors.

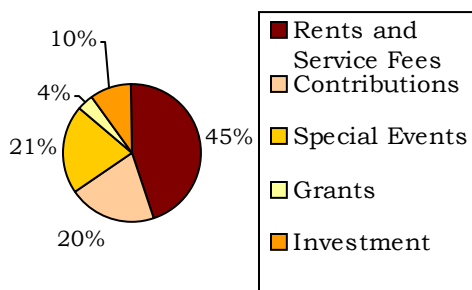

Overall, 2009 was a year of challenges that were met through the efforts of people like you: donors and volunteers. All of you make it possible for St. Luke's Home to continue our Tradition of Serving.

SENIOR PROFILE

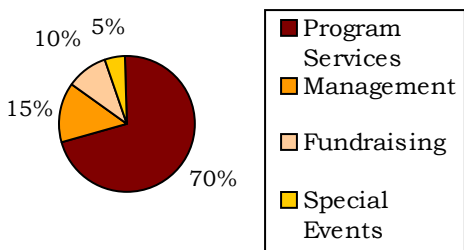

As of 12/31/09 Census

PUBLIC SUPPORT and REVENUE

EXPENSES BY CATEGORY

Based on 2008 audit information

Your continued support makes it possible for us to provide a comfortable home, nutritious meals, supervision and social activities for our low-income seniors throughout the year.

We Thank You!

The Mission of St. Luke's Home is to provide for the care and well-being of elderly women, men and couples of limited financial means in a caring environment, respectful of the residents' rights and the regulatory guidelines. We are grateful to the hundreds of individuals, businesses and organizations who have supported our mission this past year. Your gift has made a significant difference in the lives of our seniors.
