

2008 Annual Report

2008 – Another Successful Year

Neel Hall, President of the 2008-2009 Board of Trustees
 Larry E. Rush, Executive Director

Greetings from St. Luke's Home! We'd like to take this opportunity to remember the good times, be grateful for our many blessings, and thank you for the contributions you made in support of the residents of the St. Luke's community. With your generous support, the Board of Trustees and staff of St. Luke's Home were able to maintain services which provided independence, dignity and a better quality of life for our seniors in 2008.

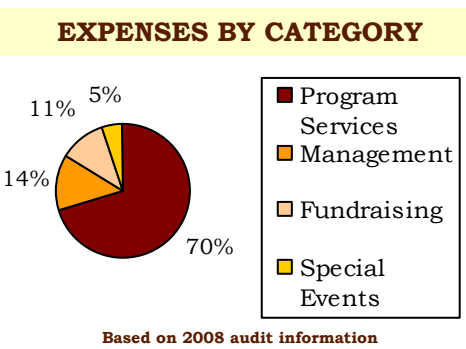

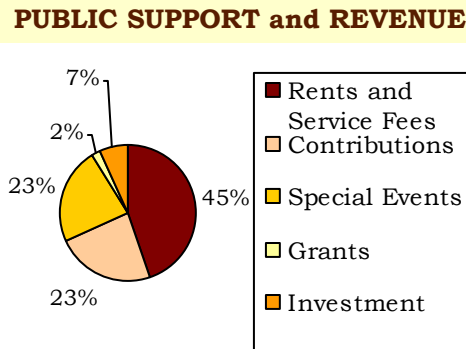

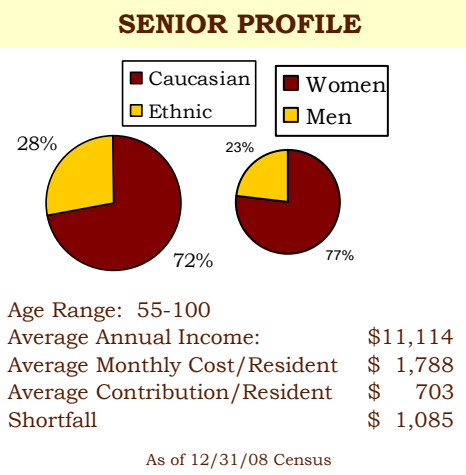

One of our biggest challenges is to bring awareness of St. Luke's in the wider community. To that end, we introduced the "Good News" newsletter, updated our website and have worked to develop new materials to help us tell our story. Please visit our website, www.stlukeshometucson.org where you can view a beautiful video produced by Trustee, Rich Moret. This video, found under the "Media" button, is an intimate portrayal of life at St. Luke's. We have also added a series of monthly open houses and invite you to attend to get to know our residents and the community you support.

There's never a dull moment at St. Luke's. Social activities throughout the year, supported by grant funding and hosted by various volunteers, outside agencies and local businesses, included a variety of parties and performances put on by the National Charity League, Tucson Prunes, Arizona School for the Deaf and Blind, St. Andrew's Sisters, Merri Makers, Tucson Regional Ballet, Ironwood OB/GYN, Pima Partnership High School, the Board of Visitors and United Way, among others. This past year, we added animals to the mix with visits from the volunteers and animals of the Arizona Desert Museum and miniature horses from Little Hooves and Big Hearts.

Once again, United Way Days of Caring volunteers from Bank of America, Catalina and Sunrise Rotary Clubs, Davis Monthan Air Force Base, JC Penney, United Way, the University of Arizona, and UPS pitched in to give St. Luke's a fall cleaning, inside and out, and hosted various recreational activities.

Teams of devoted volunteers annually boost the efforts of St. Luke's Home. For the 89th and 13th years, respectively, the 2008 Baile de las Flores and Sensational Settings events successfully raised funds to support the services for our residents. The dedicated volunteers of the Board of Visitors staged an enchanting fiesta celebrated at the Skyline Country Club, high atop beautiful Tucson. Sensational Settings, organized by the volunteers on the Sensational Settings Committee, sparkled as Tucson's showcase event for perfect party ideas in its second year at the Jewish Community Center, Successful efforts by the Board of Trustees to retire the mortgage continued in 2008, as well, with gifts and pledges made in the amount of \$55,000 leaving an approximate balance of \$170,000 to be raised.

Thank you for your special contributions of time, talent and treasure. Because of you, St. Luke's continues to thrive and carry on it's time-worn *Tradition of Serving*.

Your continued support makes it possible for us to provide a comfortable home, nutritious meals, supervision and social activities for our low-income seniors throughout the year.

We Thank You!

The Mission of St. Luke's Home is to provide for the care and well-being of elderly women, men and couples of limited financial means in a caring environment, respectful of the residents' rights and the regulatory guidelines. We are grateful to the hundreds of individuals, businesses and organizations who have supported our mission this past year. Your gift has made a significant difference in the lives of our seniors.
